Yarmouth, Easton, Falmouth, Foxborough

Mansfield, Norton, Plymouth, Rockland,

Silver Lake, Somerset, Wareham,

Wellesley, Whitman Hanson and

Weymouth Public Schools.

Dear Parents/Guardians,

Your daughter was selected to participate in Envision the Future because of her interest in STEM and willingness to share her experiences with community members. Thank you for allowing your daughter to attend the Envision the Future Program.

Envision the Future is a five-day residential science, technology, engineering, and math (STEM) program for girls ages 11-13. The program will provide opportunities to engage in challenging STEM activities, explore career options with STEM professionals, and connect with other girls with similar interests and aspirations.

We look forward to meeting you when you bring your daughter to Bridgewater State University (BSU) on Monday, July 20, 2015. We hope that you will join us at the STEM Resource Fair on Friday, July 24<sup>th</sup> where your daughter, along with other Envision participants, will be making presentations on the work they have accomplished. In addition, the STEM Resource Fair will provide the greater STEM community at-large with the opportunity to share resources and ideas. The Fair will be followed by a closing ceremony.

**PROGRAM BEGINS – Monday, July 20, 2015**

Student Move-in & Registration – 7:30-8:15 AM – East Hall – 135 Burrill Ave.

Orientation – 8:30-10:00 AM – Conant Science & Mathematics Center – 24 Park Ave.

BSU Tour for Parents and Guests

**CLOSING DAY ACTIVITIES – Friday, July 24, 2015**

STEM Resource Fair – 10AM-12PM – Rondileau Campus Center

Closing Ceremony – 12-12:30PM – Rondileau Campus center

Student Move-out – 1-2PM – East Hall – 135 Burrill Ave.

Sincerely,

*Katherine*
