

## Envision the Future Participant Supporter Form

Thank you for your interest in supporting a participant in Envision the Future, a STEM program for girls ages 11-13. Collaborators are volunteering their time and expertise to offer engaging and meaningful STEM workshops and activities and Bridgewater State University is providing classroom space, computer labs, and meeting rooms. Your contribution will defray materials and residential costs.

### Eligible Communities:

Communities that form Envision the Future Replication Teams in the Southeastern Massachusetts STEM Network region.

**NOTE:** There are openings for five MA communities outside the SE MA STEM Network region.

### *About Replication Teams*

Composed of forward thinking educators and representatives from business and the community with at least three members. Responsibilities include selecting participants, replicating one or more program activities in their community, and securing financial contributions to cover the cost for the girl(s) to attend.

### Eligible Participants:

Girls ages 11-13 selected by Envision the Future Replication Teams.

### Financial Contributions:

The cost for each girl to attend is \$550.00.

Supporter Contribution: Supporters would contribute \$500 per girl and could include businesses, Rotary Clubs, educational foundations, individuals, or community organizations. Supporters will be invited to attend the orientation on July 20, 2015 and the participant presentations on July 24, 2015.

Parent Contribution: Parents contribute \$50.00 for their daughter to attend. Parents will be invited to attend the orientation on July 20, 2015 and the participant presentations on July 24, 2015.

### **WANT TO BE A SUPPORTER AND NEED TO BE CONNECTED TO A TEAM?**

If you would like to be an Envision the Future Participant Supporter and are not connected to an Envision the Future Replication Team, contact Katherine Honey at [khoney@comcast.net](mailto:khoney@comcast.net).
