Donor Form

Thank you for your support of Envision the Future, a STEM program for girls ages 11-13. Your donation will be used to support the development and implementation of Envision the Future, which will be held at Bridgewater State University July 20-24, 2015, and the replication of Envision the Future elements in communities in Southeastern Massachusetts in 2016.

Envision the Future is a program of the Southeastern Massachusetts STEM Network and a CONNECT Partnership Initiative - <http://www.connectsemass.org/stem>.
