Become a STEM AMBASSADOR

At The 2012 STEM Expo - Envision Your Future

May 24, 2012

Are you interested in pursuing a career in Science, Technology, Engineering, Math, or Education?

Do you enjoy helping young students?

Do you learn best through hands-on experiences?

Are you interested in getting involved with campus activities?

As a **STEM Ambassador**, you will meet representatives from businesses, government, early childhood education, K-12 schools, and faculty members from colleges and universities in Southeastern Massachusetts.

STEM Ambassadors will help guide student attendees to activities, work with collaborators on activities/exhibitions, and provide information for attendees.

What is Required of Me?

- All Ambassadors will be required to attend an orientation/training in early May, date TBA
- Ambassadors must be on site at Bridgewater State University, from 8 a.m. to 2 p.m.

Who Is Attending?

- School District Community Teams – Up to 20 groups (3-10 adults/team) from various school districts, local communities, and businesses/industries
- Student/Teacher Groups – Groups of up to 30 students (1 adult/10 students), grades 5-8, from various southeastern MA school districts.
