

**2012 SE MA STEM EXPO  
AMBASSADORS**

**GENERAL INFORMATION**

**Contact May 24, 2012 ONLY: 508-531-6139**

Katherine Honey has spoken with all ambassadors and reviewed their STEM Expo roles and the time they plan to arrive at the STEM Expo. **If there is a change in your plans to help at the STEM Expo, PLEASE contact Katherine at 508-316-1480 or at [khoney@comcast.net](mailto:khoney@comcast.net) by May 22, 2012.**

**Directions & Parking:** please use directions/parking for ambassadors on stem expo website: [http://www.connectsemass.org/stem/documents/DIRECTIONSTOSTEMEXPO--Collaborators\\_Presenters\\_Ambassadors5.3.12.pdf](http://www.connectsemass.org/stem/documents/DIRECTIONSTOSTEMEXPO--Collaborators_Presenters_Ambassadors5.3.12.pdf).

**Arrival: 7:30AM.** Students arrive at 8:15AM and will be scheduled for activity areas and workshops for 8:30AM.

**Break Down:** 2:00PM – the last workshop/activity ends at 1:30PM. By 2:00PM all students will be on their buses back to their schools.

**Ambassador Sign-in Area:** Enter the Burnell 2<sup>nd</sup> Entrance. Take a right and follow the signs to the Burnell Atrium. Sign in & pick up STEM Expo materials including information on your STEM Expo role.

**Lunch – not provided – Refreshments Provided – Bring a Lunch.**

Light refreshments will be available in Burnell 119 at 7:30AM and at 11:30AM. We suggest that you bring a lunch.

**Photo Permission Form**

Local cable companies and newspapers, the video department at Bridgewater State University, and representatives of the Air & Space Museum will be taking photographs and videotaping segments of the STEM Expo. Adults should complete the photo/permission form before they arrive: <http://www.connectsemass.org/stem/documents/TalentAuthorizationandRelease5.3.12.pdf>.

**Post- Expo Electronic Evaluation**

After the STEM Expo, you will be sent an electronic evaluation. It's important that you provide feedback as it will help determine what aspects of the Expo should be replicated and how it can be improved.

**STEM Majors**

One goal of the Massachusetts STEM Plan is to increase the number of students who indicate they are interested in STEM Majors on the SAT. In order to increase awareness of STEM Majors, activities at the STEM Expo are organized by STEM Majors. Review the list of STEM Majors and be prepared for questions student may have about STEM Majors.

*STEM Majors: Agriculture & Natural Resources – Architecture - Biological & Biomedical Sciences - Computer & Information Science - Engineering & Engineering Technology/Technicians - Health Professions & Clinical Sciences - Mathematics & Statistics - Physical Sciences - Other STEM Majors- Precision production, military technology, mechanic/repair technologies.*
