Helpful information to enhance your experience at the SE MA STEM Resource Fair.

- For a complete listing of exhibitors, please consult your folder.
- We are collecting questions for Congressman Kennedy's Skype session, in advance of our conversation with him. If you have any questions, please write them on the easel, found at the registration desk.
- Exhibitors are located on the first and second levels of the DMF Science and Mathematics Center.
- Please take a moment to complete our survey which will be distributed electronically, following the event. We will use your valuable insights to influence our future initiatives.
