

STEM Expo Student Survey

I thought the STEM Expo was:

- Really interesting and exciting.
- OK.
- Not very interesting.

As a result of attending the STEM Expo, I am:

- More interested in learning about STEM majors and careers
- Less interested in learning about STEM majors and careers..
- About as interested in learning about STEM majors and careers as before the Expo.

Put an "x" in the box of the STEM majors that, based on the Expo, you'd like to learn more about:

- Agriculture & Natural Resources
- Architecture
- Biological & Biomedical Sciences
- Computer & Information Science
- Engineering & Engineering Technology/Techs
- Health Professionals & Clinical Sciences
- Mathematics & Statistics
- Physical Sciences
- Other STEM Majors

Put an "x" in the box next to the STEM major display area that you liked the best:

- Agriculture & Natural Resources
- Architecture
- Biological & Biomedical Sciences
- Computer & Information Science
- Engineering & Engineering Technology/Techs
- Health Professionals & Clinical Sciences
- Mathematics & Statistics
- Physical Sciences
- Other STEM Majors

What was your FAVORITE workshop, activity, or demonstration? Why?

YOUR THOUGHTS: What can we do to improve the STEM Expo in the future?
